Looking for a challenging, rewarding opportunity and to be part of a design team? SGA offers a unique approach to developing talented employees in a fun atmosphere. We take our training serious and utilize a master/apprentice style that excels proficiency and provides a balanced well-rounded experience. We use the latest AutoCAD and Civil 3D software for design and offer training to all new employees. SGA focuses on not only our relationship with our clients, but also our internal team relationship. We really feel like a family. So, contact us and see if you might be a good fit to join our SGA family!
